

NORTHERN KENTUCKY CLIPPERS SWIMMING, INC

May 27, 2005

Dear Coaches,

The David Webb Invitational Meet should be exciting and fast. There are several items we need to bring to your and your swimmers' attention

1. **Scratches**

Because this meet has over 700 swimmers, we need to know any and all scratches ahead of time if possible. We must give the printer the heat sheets on Monday, June 20. If you have any scratches before Saturday, June 18, please let us know. Since Friday's events are not pre-seeded, let us know scratches anytime up until June 24, so that alternates can be moved up. Please email Rita all scratches at clippers.swimming@clipperswim.org.

2. **Scratching for Finals**

- The top 20 return to swim for finals.
- We would like any swimmer placing in the Top 30 to scratch if he/she will not be at finals.
- Scratch table will be located on pool deck.
- Swimmers must get their coach to sign their scratch sheets before we will accept. Parents will not be permitted on deck to scratch their swimmers.
- If a swimmer does not scratch within the 30 minute time rule and then does not swim at finals Ohio penalty rules will be applied.

3. **Warm ups**

- On the Saturday and Sunday morning sessions, we have divided the warm ups into 2 – 30 minute session. Assignments are included in this packet.
- All other sessions will only have one warm up time.
- Teams will be assigned lanes at all sessions except finals.
- Finals sessions will be open warm ups.

4. **Shuttle**

On site parking is only for Silverlake members only. Everyone else must park at our convenient "off site location" and take the shuttle. A flyer is included for you to pass out to your families.

Friday – starts at 11:30 a.m. and runs for approximately 30 minutes after meet is over

Sat/Sun – starts at 6:30 a.m. & runs for approximately 30 minutes after meet is over

5. **Psych sheet**

This is now posted – www.clipperswim.org.

6. **No Changes**

We will not make any time changes/updates to be fair to all teams. Also we will not accept any new swimmers or deck entries.

7. **Friday 13 & over session - afternoon**

- All events are limited per the meet information - 400 free – top 40; 400 IM – top 30; and 1500's – top 20
- **Positive check in is required by 12:15 p.m.**
- If a swimmer checks in and does not swim, the Ohio Scratch Rules will apply.
- All swimmers in the 1500 must provide their own timers and counters. These events will swim fastest to slowest, alternating girls and boys. Only one swimmer per lane.

8. **Friday 12 & under session - evening**

- We were able to take all the 12 & under swimmers in these events that met the time standards. All swimmers slower than the time standard have been scratched.
- **Positive check in is required by 5:30 p.m.**
- If a swimmer checks in and does not swim, the Ohio Scratch Rules will apply.

9. **Limiting 200's on Saturday morning session**

In our previous email stated we would be limiting the 200's on this day, however we have changed this decision. We will NOT be limiting the 200's. We had many NT's in these events we felt it unfair to have to "pick" one over another.

10. Timer Requirements

The list of timers your team must supply is also included. They must check in at the workers table prior to the timers meeting which is held about 25 minutes before the session starts. Check in at the table at bottom of steps going to the pool deck.

11. Officials

We need officials at all sessions, if you have someone who can work, have them email Rita at clippers.swimming@clipperswim.org. We need to know the session(s) they can work and their certification levels. We have a limited number of parking passes available for officials; passes will be given out on a first come first serve basis.

12. Clerk of course

There is no clerk of course at this meet.

13. Fly over starts

We will use fly over starts at all sessions, except finals on Saturday and Sunday.

14. Refunds

Clippers will refund entry money to those swimmers who were alternates & met the entry qualifications and did not get to swim on Friday or Saturday AM.

15. Other important information

- Silverlake is a “membership only facility”. You and your swimmers are guests here. However other members will be using the remainder of the facility and we need to be considerate of them. Swimmers are not permitted in the weight/exercise room.
- The doors will open at 6:30 a.m. on Saturday and Sunday.
- USA Swimming rules do not permit parents who are not working at the meet to be on deck.
- No one is permitted to bring in coolers or food from the outside. Silverlake offers a full service concession.
- No food or drinks are permitted in the spectator seats. This is because Clippers office and weight room are below and could be damaged.
- Swim bags are not permitted in spectator seating. Also swimmers’ bags should not be left on bleachers – we will need all the seating available. Bags need to be placed on the ground.
- Silverlake has been making some major improvements to the facility. We hope that the new locker rooms will be completed, but we are unsure. So please be prepared to have limited showers available. Also the swimmers and their family members are not permitted in the steam room or sauna.
- Seating in the pool on deck and in the stands has been reduced. Swimmers can bring chairs to sit outside the back door on the gravel drive way. Teams could also bring tents to put there as well. Remember that we do not allow swim bags in the spectator seating. And these bags will not be permitted on the bleachers on the pool deck.
- We are trying to make this meet as comfortable as possible. Teams will not be allowed to spread blankets/sleeping bags on the bleachers. If you want more space to stretch out, please use the space outside.

16. Hotel arrangements

Teams please try to support our hotel sponsor – Holiday Inn Airport. This hotel is very close to the pool and offers an easy “back way” to the pool. The special meet rate is \$82 which includes a continental breakfast. See flyer included.

17. Awards

Coaches must pick up awards at the end of the meet. Those left will not be mailed to teams.

18. Coaches Meeting

The only coaches meeting will be on Friday prior to the start of each session.

Thanks for choosing our meet.
